'Grief: Support for Young People'

An app designed *by* bereaved young people *for* bereaved young people.
Can also be used by friends, parents and professionals supporting bereaved young people.

*The app enables you to
get the support that you
want in your own space
and your own time.*

Charlie, aged 17

Includes:

- Information about bereavement, grief, feelings
- Stories from bereaved young people and short films that they have written and made
- Links to search for local support organisations

Developed by [Laughing Giraffe Technologies](#)
