

Please find below the skeleton ISSP programme 2020/21. For the Autumn Term all delivery will be virtual via Zoom, Google Meet or Microsoft Teams. Thereafter, dependent on government guidance and risk assessments as carried out by our partnership schools and the University of York, lessons and events *may* be run in situ. However, all events on this programme can and will be delivered remotely if necessary. For all students engaging in online lessons parents have (or will have) read and signed the ISSP / Home Online Learning Agreement which stipulates safe conduct in this learning environment. As the academic year progresses it is hoped that further events - such as the university's Peace Jam or its virtual equivalent will be added to this programme. Please note that for safety reasons the Autumn Residential (2020) has been postponed until October 2021.

Term	Event	Staff/ Location
Autumn One 28/9	GCSE Astronomy GCSE Latin 7-8 Lecture: <i>What lies beneath our feet</i> Maths Excellence Club HSG MEETING - (wb 21.09)	Tutors: Mike Shaw Bootham (Virtual) / Mark Edwards and Andy Parr STP (Virtual) Tutors: Lucy Huelin Bootham (Virtual) / Laura Bok The Mount (Virtual) / Caron Downes STP (Virtual) Organizer: Kate Vernon-Rees (Virtual) Presenter: Dr Alice Toso (now resident archeologist in Barcelona) James Ratcliffe Bootham (Virtual)
