2<sup>nd</sup> December 2019

Dear Parent/Carer,

We are pleased to invite you to the Year 11 Parents Evening on **Tuesday 17<sup>th</sup> December 2019**. As we move towards the final GCSE exams, we want to ensure that staff, parents and pupils are able to work in collaboration to ensure the best possible outcomes. As you will know, Year 11 are currently sitting a round of Practice Exams and these results will be available to you and your child at Parent's Evening. Please arrive ten minutes before your first appointment to collect your child's information pack. This will contain their practice exam results, a review of their ATL and attendance and a document which will enable them to make their next steps to improvement.

Timed appointments with subject teachers will run as usual from 4.30pm to 7.30pm. Please indicate on the attached form the subjects you would like to have an appointment with.

It is very important that you complete and return this form to your child's tutor or pupil reception **by Tuesday 10<sup>th</sup> December**. Alternatively, forms can be completed and submitted on the school website: [www.yorkhighschool.co.uk](http://www.yorkhighschool.co.uk). Appointments will normally last for five minutes but if you need a 10 minute appointment with a particular teacher, please state this on your form and we will do our best to arrange this for you. Once we have received your reply, you will receive a letter of appointment times for the evening on Thursday 12<sup>th</sup> December.

Heads of Houses will be running drop in appointments. If you would like to see Mrs Evans, Mrs Harrison, Mr Walker or Mr Swales, please contact the relevant Head of House to make them aware.

### Futures Zone

We are thrilled to introduce 'Futures Zone' to Year 11 Parents Evening. This will give everyone an opportunity to discuss their future with some exciting post 16 providers. We will have representatives joining us from York College, Askham Bryan College, NCOP and The Apprenticeship Hub, as well as an independent careers advisor. They will be located outside the LRC until 7pm. Please go along and discuss any questions you may have about post 16 with them.

As part of our Home/School Agreement, we expect all our parents to support their children at this important time in their school career. However, if, in unusual circumstances, you cannot attend the meeting, please indicate this by ticking the appropriate box on the attached form.

It would be most helpful if you would please return the attached form as soon as possible, even if you are not attending; to avoid us contacting you further.

Miss Burns, SENDCo, will also be in attendance at this evening. Please feel free to speak with her about the additional or special needs of your child. Please indicate on the form attached whether you would like an appointment with her.

Yours sincerely

Mr R Sims
