

Welcome to the first of our termly careers newsletters. These will be used to round up what's been happening over the previous term, and provide dates for your diary next term.

### **KS3**

Whilst you have been away from YHS, I asked you to log on to START, and have a go at the quizzes on the left hand side. This will give you an understanding of what career path you would be suited to.

This half term, I would like you to have a look at BBC Bitesize careers. Here, there are lots of videos about different career paths, and you can think about where your different subjects could take you.

### **APPRENTICESHIPS**

If you are looking for an apprenticeship after Y11, please have a look here:

Remember, you will probably need a CV, so make sure you have one ready, and email me if you would like it checked over.

### **KS4**

Y10 - whilst you have been away from YHS, I asked you to have a look at START, and take some of the quizzes.

This half term, I would like you to start thinking about putting together a CV. Try this template -  
<https://www.cvtemplatemaster.com/cv-template/cv-template-for-a-13-14-or-15-year-old/>

Y11 – many of you will be thinking about college and what's happening in Sept. Please get in touch if you have any concerns, or you have not heard about your course.

You could also be using GCSE pod to keep your learning up to date – most of the courses now have a “moving on to KS5 section, which would be really helpful for those of your doing A-Level courses.

### **COVID 19**

Although the careers team is not physically in YHS at the moment, we are still here to help.

You can email Mrs Callan, or you can request to speak to our Careers Advisor, Steven McLean – just send Mrs Callan an email to book a telephone appointment.
