

CITIZENSHIP: Year 7 Summer Term: Careers

What are we learning about?

This term we will look at how to plan your career path, our aspirations and touch on some of the work skills required for employment.
We also look at how public funding is spent, the purpose of budgets and the public and private sector

Why are we learning about it?

So that we prepared for our future post 16 options and have a plan of action in order to fulfil our potential. We will also explore growth mind-set and how developing your own growth mind-set can enable you to achieve your goals.
Understand the importance of budgets and government.

What new KNOWLEDGE will I gain?

Qualifications for different career paths and
Personal qualities that need to be developed for our chosen career paths.
How the UK government fund the public sector and essential services.

How does this build on the SKILLS I already have?

You can already point out your own personal strengths and weaknesses and use growth mind-set to improve them.

What new SKILLS will I develop?

Resilience
Confidence
Communication
Employability

How does this build on the KNOWLEDGE I already have?

It may open your mind to new ideas and careers you may not of been interested in previously.
The operation of parliament and the government.
The function and use of money
