

Music Autumn Term Year 10: Learning Journey

What are we learning about?

As part of the Integrated Portfolio you will be learning about rhythm, melody, harmony, structure and compositional devices through a variety of individual composition exercises to prepare you for the integrated portfolio composition.

Why are we learning about it?

The OCR Music course is designed to cater for a wide range of interests, instruments, personalities and directions. This composition will enable you to explore composition with a focus on your own instrument and genre choices and offer opportunity to explore new instrumental skills.

What new KNOWLEDGE will I gain?

You will complete a variety of individual composition exercises. You will learn to demonstrate a secure knowledge of how to develop music rhythmically, melodically and harmonically.

TOPIC: Composition

How does this build on the SKILLS I already have?

In this unit of work you will be further developing your composition and performance skills by performing within your chosen style, improvising and developing musical ideas on your chosen instrument/voice or technology.

What new SKILLS will I develop?

In this unit of work you will develop your ability to compose appropriately for your chosen instrument(s)/voice or technology and to explore new instrumental skills.

How does this build on the KNOWLEDGE I already have?

This builds on your understanding of rhythm, melody, harmony, structure and compositional devices by applying this to create your composition. You will further develop your ability to combine various musical elements successfully within the composition.
