

Art Y11 Spring HT1: Learning Journey

What are we learning about?

Using the themes given by the AQA exam board, you will choose your own project title. You will be learning about pieces of art/craft created by artists/craftspeople that you have personally chosen, relevant to your individual project.

Why are we learning about it?

You are researching and learning from other artist's/craftspeople, to help inspire and influence your creative development process and your own personal final outcome/s for the 10 hour controlled task(AO1/3/4).

What new KNOWLEDGE will I gain?

You will gain new knowledge about a range of different artists styles, techniques, creative processes & inspiration for their work, which will help your own development journey towards final outcomes at the end of the EST project

TOPIC: Externally Set Task

How does this build on the SKILLS I already have?

You will be directed to refine your research, annotation and evaluation skills and work at a technically more proficient level than when you have used various different media's before.

- You will be completing mostly independent research and unique, personal development of ideas.

What new SKILLS will I develop?

- You will be researching your project in a very independent way, rather than completing mostly teacher led portfolio projects.
- You will build up skill with different media, relevant to your individual area of research.
- You will develop skills in reflection and refinement, which is necessary for improving your work.(AO2/3)

How does this build on the KNOWLEDGE I already have?

You will build on your knowledge of the History of Art and materials and techniques through media exploration. You will be developing more control over media techniques when reproducing samples of your chosen artists work.(AO2)
