

Art Y11 Summer HT1: Learning Journey

What are we learning about?

In this unit of work we are going to practice, learn and develop our techniques in a broad range of media.

Why are we learning about it?

We have worked hard to create two projects - Identity and Natural Forms. We are now reflecting on our projects and strengthening them by improving work through developing our control and techniques in a variety of media.

It is important, as artists, that we learn how to control and use a range of techniques in a variety of media so that in the professional world, we will be able to apply these skills to a career in the Arts.
