

TOPIC: RO18 Revision

What are we learning about?

In this topic we will recap all 5 units from RO18.

- LO1 - Understand the roles and responsibilities of parents.
- LO2 Understand antenatal care and preparation for birth.
- LO3 - Understand postnatal checks, postnatal provision and conditions for development
- LO4 - Understand how to recognise, manage and prevent childhood illnesses.
- Lo5 - Know about child safety

Why are we learning about it?

RO18 covers the basic knowledge of conception, birth, and safe parenting.

These units will be examined and make up 50% of your grade.

What new **KNOWLEDGE** will I gain?

You will secure and expand your RO18 knowledge in preparation for your exam.

How does this build on the **SKILLS** I already have?

We have already worked through all types of exam questions, we will now start to break down the requirements of each command word.

What new **SKILLS** will I develop?

We will learn how to use an exam mark scheme to assess longer answers, we will use a planning method to help gain higher marks in long answer questions.

How does this build on the **KNOWLEDGE** I already have?

We will build upon all knowledge gained in RO18, to extend and improve the quality of exam answers.
