

Art Y9 Autumn HT1: Learning Journey

What are we learning about?

Through the theme of 'Naughty But Nice', we are learning how to create our own still life photos & use them as resources to inspire & create our own original work.

Why are we learning about it?

It is important as developing artists that we learn a broad range of 2D recording techniques, including digital media as well as drawing. We can also learn a lot from contemporary practising artists who are using this technology currently in their own work, such as Sarah Graham.

What new KNOWLEDGE will I gain?

You will gain knowledge in:

- How to take successful still life photographs using macro settings & compositional rules of photography.
- How to edit & manipulate images on photo shop.
- How to fully analyse a piece of art work.

TOPIC: Naughty But Nice (Recording Techniques)

How does this build on the SKILLS I already have?

- You will be building up your repertoire of recording & editing skills.
- You will be further developing / practising your drawings skills.
- Extending the depth of analytical skills from Y7/8 needed for the GCSE Art course next year.

What new SKILLS will I develop?

- Recording- Photographic/drawing skills
- New Photoshop editing skills
- Analytical skills

How does this build on the KNOWLEDGE I already have?

- You will be able to use a digital camera as well as your phone.
- Photo shop filters/settings building on Yr7 past projects in DT.
- In depth analysis looking at more of the formal elements of art.
