

French: Year 7 Autumn term 1

Learning Journey

What are we learning about?

This half term, you will learn how to introduce yourself to other people, including giving your name, age and birthday.

Why are we learning about it?

Being able to have an introductory conversation is the very first step towards fluency in French. Things you learn this half term, such as the alphabet and numbers, will be useful to you for the next five years and beyond!

What new KNOWLEDGE will I gain?

- French phonics (16 sounds)
- Greetings and introductions (name, age, birthday)
- The French alphabet
- Numbers up to 31
- Months and days of the week

TOPIC: Allons-y! (Let's go!)

How does this build on the SKILLS I already have?

If you have already done some French at primary school, this will build on skills you may already have. If you haven't done French before, then this will all be new to you!

What new SKILLS will I develop?

- Good pronunciation through effective use of phonics.
- You will learn the basics of tackling the four key skills in French: Listening, Reading, Speaking and Writing.

How does this build on the KNOWLEDGE I already have?

You may have already done some French at primary school; if so, this will be a refresher of some of the things you may already have covered.
