

# French: Year 7 Spring term 2

## Learning Journey

### What are we learning about?

This half term, you will learn to describe yourself and other people in more detail, giving details of physical appearance, personality and interests.

### Why are we learning about it?

Being able to describe yourself and other people is an important part of introducing yourself. This also allows you to extend your use of opinions to include discussing what somebody else likes.

### What new KNOWLEDGE will I gain?

- Vocabulary for describing physical appearance and personality
- More detailed opinions, including asking someone for their opinion
- Possessive adjectives 'ton/ta/tes' to mean 'your'

## **TOPIC: Comment je me vois (How I see myself)**

### How does this build on the SKILLS I already have?

You have already learned about some key parts of grammar in French. Now it is time to start tackling verbs! These are the most important building blocks in any language, so learning about them will give you a huge boost towards becoming more fluent in French.

### What new SKILLS will I develop?

- You will take your first steps in learning about verbs in French, specifically verb endings in the present tense.
- You will learn more about how adjectives agree with the noun they are describing.

### How does this build on the KNOWLEDGE I already have?

You have already learned how to give a basic description of yourself (name, age, birthday). You will now extend this to be able to say what you look like and what your personality is like.
