

French: Year 7 Summer term 1

Learning Journey

What are we learning about?

This half term, you will learn how to discuss which of your school subjects you like or don't like, and give reasons for these opinions.

Why are we learning about it?

Describing your world is a key step on the journey towards becoming fluent in a language. Being able to discuss school subjects is very useful when initiating a conversation.

What new KNOWLEDGE will I gain?

- name 12 school subjects in French
- describe which school subjects I like and don't like, giving detailed opinions and reasons

TOPIC: Mon collège en Angleterre (My school in England)

How does this build on the SKILLS I already have?

Previously you have written and said mostly simple sentences. Being able to add a wider variety of connectives and adverbs to your sentences will allow you to communicate more extended and detailed ideas.

What new SKILLS will I develop?

- start to use a variety of connectives and adverbs to 'spice up' my language
- ask closed questions in French

How does this build on the KNOWLEDGE I already have?

You will build on being able to give basic opinions by adding the reason that you feel that way.
