

# French: Year 7 Summer term 2

## Learning Journey

### What are we learning about?

This half term, you will learn how to tell the time in French and about the differences between French and English schools.

### Why are we learning about it?

You will learn valuable cultural information about how a French child's school life is different to your own. Telling the time is a vital skill in any language!

### What new KNOWLEDGE will I gain?

- tell the time in French
- use the pronoun on (we) to describe what I and others do
- understand some key differences between going to school in France and going to school in England

## **TOPIC: Au collège en France (At school in France)**

### How does this build on the SKILLS I already have?

You will make sure that you remember and can use all of the skills you have learned this year so that you are ready to start building on those skills at the start of year 8.

### What new SKILLS will I develop?

- This half term, you will consolidate the skills you have learned this year in preparation for your end of year exam.

### How does this build on the KNOWLEDGE I already have?

You will build on your knowledge of numbers, adding some key time-telling vocabulary to extend these to be able to tell the time.
