

## French: Year 8 Spring term 2

### Learning Journey

#### What are we learning about?

This half term, you will learn how to order in a café while on holiday, and to discuss what you are going to do on holiday.

#### Why are we learning about it?

Ordering in a café is a useful real-world skill if you are ever on holiday in a French-speaking country. Discussing what you are going to do is a chance to extend your use of tenses beyond the present.

#### What new KNOWLEDGE will I gain?

- Vocabulary for foods and drinks
- Sentence structures for ordering in a café
- Structures for forming the near future tense

## TOPIC: Mes vacances (My holidays)

#### How does this build on the SKILLS I already have?

Up until now, the only verbs that you have learned have been in the present tense. We will now expand on this by learning the near future tense, which will enable you to express ideas in a different timeframe.

#### What new SKILLS will I develop?

- You will learn to understand and form the near future tense.

#### How does this build on the KNOWLEDGE I already have?

You have already learned some parts of the verb 'aller' (to go). We will extend and build on this to enable you to express yourself in the near future tense.
