

Year 7 Music Unit 1: Learning Journey

What are we learning about?

In this unit of work we are going to study the Elements of Music through a variety of performing, composing, listening and appraising tasks. You will be studying Pitch, Duration, Dynamics, Tempo, Sonority, Texture, Tonality and Structure.

Why are we learning about it?

As you start your musical journey we want to equip you with the building blocks to be able to compose, perform and review music. To develop your talent as musicians to increase your self-confidence and creativity.

What new KNOWLEDGE will I gain?

You will perform, compose, listen to and review Music using the Musical Elements. You will learn to describe musical features using the correct terminology and apply theoretical knowledge to write and read music from notation.

TOPIC: The Elements of Music

How does this build on the SKILLS I already have?

This unit of work will assess your prior skills in terms of performing, composing, listening and evaluating music.

What new SKILLS will I develop?

In this unit you will develop vocal and instrumental skills by reviewing, listening to and applying the musical elements to improve your own and group performances. You will be developing your composition skills by making music using the musical elements creatively.

How does this build on the KNOWLEDGE I already have?

This unit of work will assess your prior knowledge and understanding in terms of performing, composing, listening and evaluating music.
