Learning Journey

What are we learning about?

This half term, you will learn to discuss what jobs people do, whether you have a job and what job(s) you would like in the future. You will also prepare for and complete your mock exams.

Why are we learning about it?

Being able to discuss what jobs people do is important when discussing friends and family, and being able to discuss what sort of job you would like in the future is important when discussing your future plans.

What new KNOWLEDGE will I gain?

- Vocabulary for jobs
- Using the conditional tense to say what you would like to do
- Using the structure 'soler + infinitive' with the imperfect tense to discuss what you and someone else used to do

TOPIC: Empleos (Jobs)

How does this build on the SKILLS I already have?

You will make sure that you remember and can use all of the skills you have learned in the GCSE course thus far in order to perform to your full potential in the mocks.

What new SKILLS will I develop?

- This half term, you will consolidate the skills you have learned in Spanish in preparation for your mock exams.

How does this build on the KNOWLEDGE I already have?

You learned to use the structure 'soler + infinitive' in year 10; in this topic you will expand upon this to be able to use it with the imperfect tense.
