

RAS: Year 10 Summer Learning Journey 1: Careers

What are we learning about?

In this unit we will learn the practical skills needed for searching and applying for a job, as well as how to be successful at interview.

Why are we learning about it?

It is incredibly important that we know how to find, search and apply for a job, as we will all go through this process at least once (although in reality probably many times) in our lives.

What new KNOWLEDGE will I gain?

- What transferable skills are
- How to write a CV
- How to make a good impression
- How to be successful at interviews
- How to protect my digital footprint

Careers

How does this build on the SKILLS I already have?

You have built up your RAS skills of personal pride, being self aware and being confident. This unit aims to use and enhance those skills to help you be successful in life.

What new SKILLS will I develop?

This unit will develop many key skills that you will use in the real world; writing CVs, searching and applying for jobs, practicing how to make a good impression at an interview, and how to protect your online identity.

How does this build on the KNOWLEDGE I already have?

This builds on your study of what careers throughout RAS lessons in Y7-9. You have already looked at options and apprenticeships, and what jobs are linked to your school subjects.
