

RAS: Year 8 Spring Learning Journey 3: Modern Britain, Human Rights & the United Nations

What are we learning about?

We are returning to our theme of Citizenship to consider what human rights are and how we can best support people in countries where human rights aren't always guaranteed. We'll also learn what the United Nations is.

Why are we learning about it?

We have already learnt about the way that the UK is governed. This unit will show us how there are rules and suggestions which are shared across large parts of the world. It'll also show us examples of what happens when rights aren't upheld.

What new KNOWLEDGE will I gain?

- Ableism;
- Dispersal orders & knife crime;
- Human Rights and Refugees;
- Challenges to Human Rights;
- The United Nations;
- The case study of Ukraine

How does this build on the SKILLS I already have?

You were introduced to the traits underpinning RAS last year – this term will build your self-reflection on how you demonstrate these traits.

We have seen toughness to overcome setbacks when considering racially motivated crime in the Autumn Term.

What new SKILLS will I develop?

We will develop our understanding of the traits underpinning Resilience, Aspiration and Success.

This unit will see a particular focus on resilience, particularly toughness to overcome setbacks. We'll see how individuals demonstrate this when their rights are challenged.

How does this build on the KNOWLEDGE I already have?

We'll have the chance to return to our awareness of Parliament from the Autumn Term, considering how international laws are made.

We'll also return to our learning on racism and issues in Britain.
