

RAS: Year 7 Summer Learning Journey 2: The world's influences on Britain

What are we learning about?

We are learning about how the world has influenced Britain, both over time and in recent history. It will involve seeing how our language, celebrations, food and culture are influenced by connections with other countries.

Why are we learning about it?

It is incredibly important to ensure that we are outward facing and do not have an insular view of what being 'British' is. This unit will help us to see why it is so important to connect with the wider world, e.g by learning other languages.

What new KNOWLEDGE will I gain?

- Influences on language
- Influences on celebrations
- Influences on food
- Influences on culture

How does this build on the SKILLS I already have?

This will build on your understanding of Resilience, Aspiration and Success from earlier RAS lessons as well as others in the school.

You have already worked on aiming high and showing enquiring minds in RAS, such as in KAP lessons.

What new SKILLS will I develop?

We will develop our understanding of Resilience, Aspiration and Success, which are also in other lessons.

This half term we will be working on Aspiration skills in particular, demonstrating an enquiring mind and personal pride when investigating the influences on British culture.

How does this build on the KNOWLEDGE I already have?

This will build on your awareness of connections between countries from Summer 1.

It will also link to learning in other subjects, like Christianity and Islam in RS and interpretations and the Normans from History.
