

Art Y8 Spring HT1: Learning Journey

What are we learning about?

We are learning about how artists represent the theme of 'Landscape' in different styles and media.

Why are we learning about it?

It is important as developing artists that we learn about popular Art themes (genres) that have been represented over many hundreds of years in so many different styles and media.

What new KNOWLEDGE will I gain?

- David Hockney's (& others) techniques, inspiration.
- What is Abstract Art.
- How to plan/design our own abstract landscapes.
- Mark Making Techniques.

TOPIC: Landscape

How does this build on the SKILLS I already have?

- Additional drawing & mark making techniques.
- Research & analysis skills
- New design skills.

What new SKILLS will I develop?

- Drawing for purpose- using line & mark making.
- Simplifying complex images.
- Developing research skills.

How does this build on the KNOWLEDGE I already have?

- Adding to your knowledge of History of Art and Artists.
- Genres of Art
- Building on drawing techniques.
